

Built Like a Sherman Tank The Meanest Forklift in Town

Linde Material Handling

Linde

Why do Linde forklifts out-perform the competition in the toughest applications on earth?

- **Exclusive Hydrostatic Drive System.** Allows pushing/pulling without damage which is unheard of with conventional forklifts.
- **Patented Linde Masts** are 30% stronger and offer 30% better visibility vs. competition.
- **Bolt on Belly Pan** eliminates “Vacuum Cleaner Effect” and provides maximum component protection.
- **4-Way engine air filtration** is standard equipment.
- **Options available to customize Linde forklifts to meet your most punishing applications.**
